

3★ Purchases of Mens and Youths Suits

ANOTHER BRILLIANT TRADE ACHIEVEMENT FOR FAMOUS. ANOTHER MASTERLY DEMONSTRATION OF WHAT READY CASH CAN ACCOMPLISH.

OUR Clothing Buyer visited the Eastern clothing markets a fortnight ago and found business deplorably depressed—as a result of the backward Spring weather and the prolonged cold spell throughout the country. Manufacturers everywhere were overstocked and in financial straits—many needed ready cash to satisfy maturing obligations. Three of the largest New York makers, profiting by past experiences, decided to sacrifice to Famous large lots of this Spring's Swellest Suits for men and young men, rather than risk carrying them any longer.

FAMOUS, always on hand with plenty of cash, took full advantage of the situation and closed out three large stocks containing 5,000 SUITS IN ALL—at a saving to us that averaged between a third and half their former wholesale price. The suits are here, have been divided into two great lots and are now on sale at lesser prices than they actually cost to originally manufacture.
